

## ESTRATEGIA DE INTERNACIONALIZACIÓN:

¿Hasta qué punto queremos ser proactivos?

- Bases de datos globales preexistentes (Allen-Hammond, <https://doi.org/10.1038/s41467-022-29289-2>)
- Redes globales como la International Tree Mortality Network (ITMN, <https://www.tree-mortality.net/>). Former IUFRO Task Force on Monitoring Global Tree Mortality Patterns and Trends (<https://www.iufro.org/task-forces/t38-monitoring-global-tree-mortality-patterns-and-trends>)
